FRIENDS OF BRAESIDE PARK VISIT TO F.O.W.S.P. NURSERY
THURSDAY FEBRUARY 24TH.

WILLOWS AND WATERY THINGS. FAMILY SUNDAY FEBRUARY 27th. 1PM

Black Flat is the venue for this activity. Bring along bathers, sandshoes for wearing IN the water and a change of clothes for later. We will be working on our Willow Eradication Program. People with 'licences to kill' will drill and fill. Others are able to simply drill, or ringbark. Other activities will include harvesting of the *Microleanea stipioides* seed which is there in abundance. We will have a walk to inspect the planting and revegetation site on the track to Jumping Creek. (Remember the illegal clearing?) Bring along a picnic tea if it is a lovely day and we will linger at the old Mullins Orchard site, listen to the sounds of the river and experience a truly peaceful place at dusk. Any people with personal hand drills would be really welcome!

TRIP TO WILSONS PROMONTORY 21-25st MARCH

We are planning a trip to visit Steve Anderson, currently seconded to the Prom National Park for six months. It will be from Monday to Friday after the Festival. Ron Taylor 844 4285 and Marg Dimech 844 3812 are making all the arrangements and many members are camping. We have however one large comfortable lodge booked as well. It has 2 bathrooms, good kitchen facilities, and 5 bedrooms for two. Some places, including a single woman and a single man place, are still available in the lodge at \$16 per person per night - ring Marg Burke A.S.A.P. if you would like to stay in comfort. Steve will give us as much of his time as possible and we plan a very broad range of activities from long treks, to poking around slowly. Lots of info. about the Prom available at the Folly-may be photocopied in advance. DON'T MISS OUT.
