

FRIENDS OF WARRANDYTE STATE PARK Inc. August 1994 Calendar

Whipstick Wonderland.....Working Bee. Sunday Family Day, August 28 1pm.

We plan a day to develop the plantings at Whipstick Gully. The whole area looks splendid and of course Ron Taylor has been employed to design and build wonderful gates, horse..... and the information poppet will be built very soon. This area is to be the 'front door' of our Park and is just a short walk from the car park on Yarra Street. The plantings from last year have grown and the additions of this will transform the area. We feel this is a very suitable spot for a planting as a spot to remember our dear friend Bruce Bence(all his friends are welcome to help). We will have afternoon tea
