

FRIENDS OF WARRANDYTE STATE PARK Inc.

July/August 1995 NEWSLETTER

NOW WHIPSTICK OPENING HAS TAKEN PLACE WE ARE ABLE TO PLAN THE YEARS PROGRAM. PLEASE GET OUT YOUR DIARY AND/OR CALENDAR.

Firstly the Stony Creek meeting with our Friends of Stony Creek has been changed to August 27th. This will be a marvellous meeting as, in return for an hour or so weeding, site preparation etc. David Cameron, our beloved botanical guru, promises a surprise wildflower walk. Mark Gardiner will show all the work done this year, including the fish ladder done with help from the Green Task Force during 'Operation Meandering Yarra' Stage One.

July 30th will be a working day at the Nursery - see wrapper for more.

Wattle Day celebration is planned for Warrandyte for September 1 & 2. Community Centre.

We are organising the meeting for last Sunday in September - a day bus trip to the Brisbane Ranges National Park. NOTE that this will actually take place on Sunday October 8th. The Friends of Brisbane Ranges are most excited to have us coming and wish us to change the date to suit their Special Wildflower Day. Those of you who have been long term members will enjoy a special treat that day as Ranger Chris Worrell - ex Warrandyte State Park and Nursery 'instigator/partner in crime' now is boss there, and plans to look after us all.

A slide night in the Folly had been organised for the September 22 (Friday) - Alan Webster, our Powerful Owl expert will be our guest lecturer. More information closer to the event.

An informal walk could take place Sunday September 25 If any sub group would like to organise one please contact Marg Burke ASAP.

A very special treat has been arranged for the third Sunday in October - OCTOBER 22 This is a special guided orchid walk in one of Melbourne's most exquisite orchid areas - One Tree Hill - a critical part of the land link to the Kinglake National Park. Our guide is equally special - Cam Beardsall whose knowledge of both area and its botanical significance is unsurpassable.

FOWSPIAN EMPLOYMENT VACANCIES (Volunteers may apply!)

Warrandyte Festival - March 1996 - FOWSP Float. We did not have a float in the parade last year as we had no-one to plan and organise building it. We need a person to take a management role in this project. It was a great shame for FOWSP not to be represented in this major event in Warrandyte. Helpers/workers also required.

Organisers Jobs - Meetings (Different people)

July 30th - General helpers.

September 1 & 2 Wattle Day Festival - Community Centre. To help Marg, Betty Oke and Shirley Mandemaker organise our display and contribution.
